“Lambs among Wolves”

A photograph showing a silhouette of three people walking through a field at sunset. The sky is a warm orange and yellow, with the sun low on the horizon. In the foreground, there are dark, silhouetted shapes of trees and bushes. The people are walking away from the camera, their figures dark against the bright background.

Dr. Josh Chatraw “Truth in a Culture of Doubt”

**We need to let Christ makes
sense of whatever doesn't
seem fair or right to us.**

The Main Mission: Prepare the way for Jesus!

Over 90% of Christians who were born in church, raised in the church, saved, married and buried in the church have never shared Jesus with someone else.

He told them, “The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.”

Luke 10:2

**The Destiny of every
person is at stake!**

We are called to do something!

We are called to share the Good News of Jesus in ways that are gentle and caring (lambs), not vicious and attacking (wolves).
