Sermon Questions

For Thought & Discussion

- Can you explain Ascension Day and Pentecost to someone? If not, take this morning's message and study those more for yourself?
- Are you allowing the culture and world to frustrate you and throw your hands in despair? Have you tapped into the power of the Holy Spirit to change that attitude?
- Are you living life in a rowboat or speedboat? Are you going on your own strength or on the strength and power that God provides?

Going Deeper: Study the New Testament and search for the many references to the Holy Spirit's work in our lives and in our world. How can the Holy Spirit speak into your life situations right now and take it from "ho hum" to "wow"?
