Sermon Questions

For Thought & Discussions

- ◆ How often do you try to hear the other side of a disagreement?
- ◆ What would your list of disputable matters include? How about those that are not disputable?
- ◆ How gentle and graceful do you come across to others as you discuss areas of disagreement and conflict? Can you do better?
- ◆ **Going Deeper:** It's easy to assume we know the right answers on things. It's more difficult and time consuming to research, study, and interpret God's Word on those things. Take the time to learn as much as you can and then pray about what your conviction should be.
