What to do...

When we are not where we want to be!

1. Turn to God and seek the Lord's help and guidance.
2. Ask God if there is anything in your life that needs to be changed to get you out of that place.
3. Try to make the best of it and look forward to better days.

“For I am the Lord your
God who takes hold of your
right hand and says to you,
do not fear; I will help you.”

“I have learned to be content whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or want. I can do all this through him who gives me strength.”

Message Bible

**Our attitude and our
outlook can make a huge
difference in how we get
to where we want to be.**

What to do...

When we are not where we want to be!

1. Turn to God and seek the Lord's help and guidance.
2. Ask God if there is anything in your life that needs to be changed to get you out of that place.
3. Try to make the best of it and look forward to better days.

For I know the plans I have for you,
declares the Lord, plans to prosper you
and not to harm you, plans to give you
hope and a future. Then you will call on
me and come and pray to me, and I will
listen to you. You will seek me and find
me when you seek me with all your
heart. I will be found by you,
declares the Lord.”

Jeremiah 29:11-14
