## Just For Fun

After a recent college basketball game, the coach spotted a cell phone lying on the floor. He picked it up and handed it to one of the referees, saying, "Here's your phone."

"What makes you think its mine?"

the ref asked. "Easy," the coach replied.

"It says you missed 13 calls!"

Denton Marner helped his parents shovel snow at their laundromat this past Tuesday when the kids had a snow day off from school.
