Differing views on Creation among Christians

Old Earth Creationists

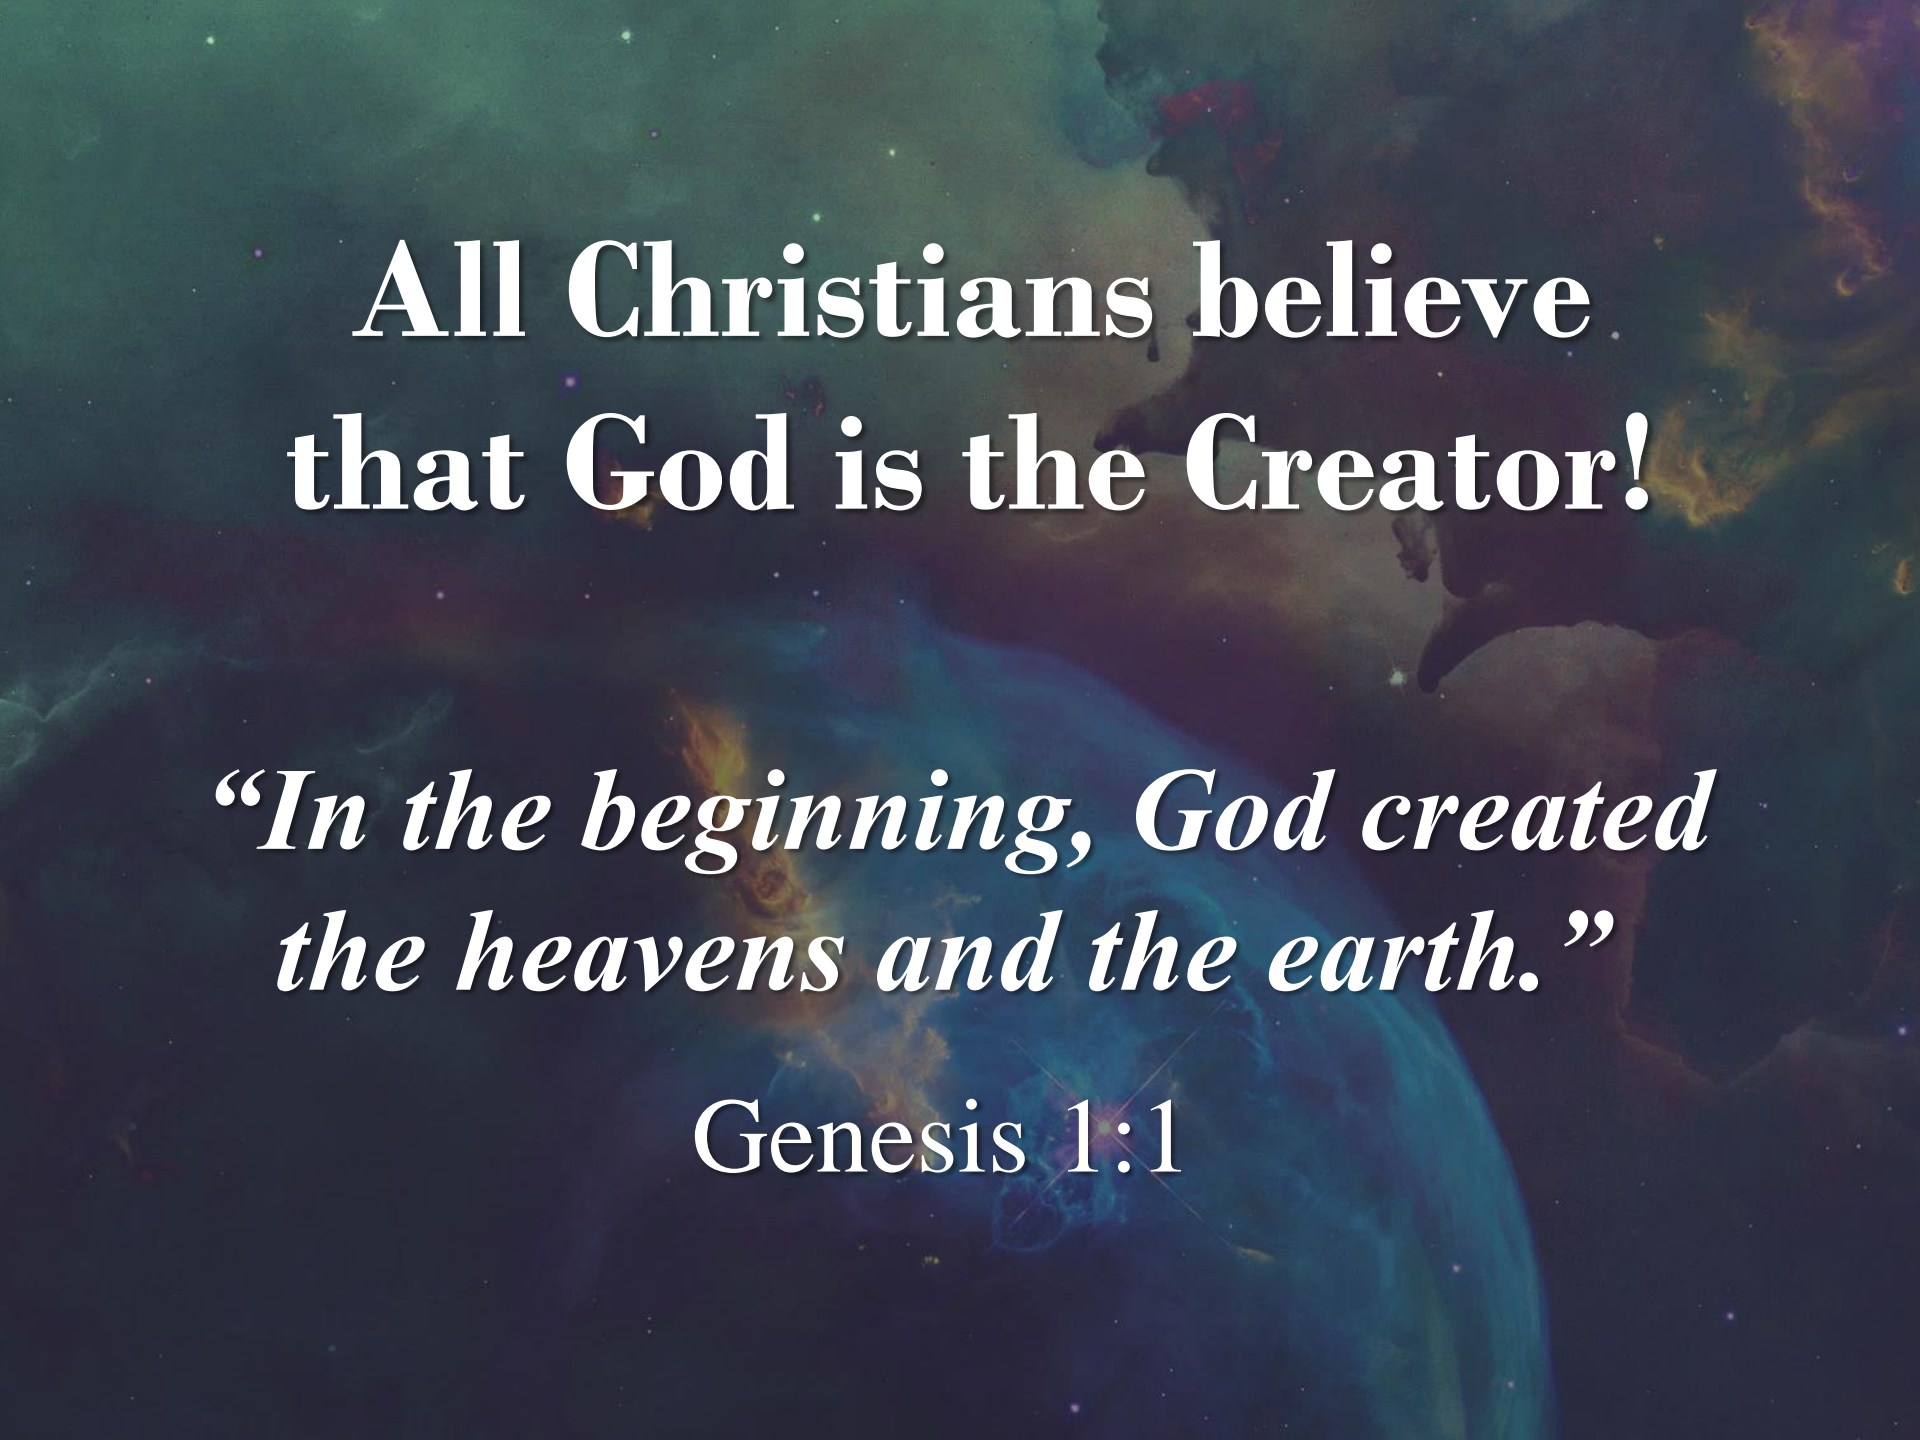

The world is millions of years old

Young Earth Creationists

The world is 5,000 to 10,000 years old

Theistic Evolutionists

*Harmonize their evolutionary thoughts
with their belief in God*

The background of the image is a deep space scene. It features a large, glowing blue and white nebula in the upper right corner. Below it, a portion of a planet with a blue and white atmosphere is visible. The rest of the background is a dark, starry space with various smaller nebulae and distant stars.

**All Christians believe
that God is the Creator!**

*“In the beginning, God created
the heavens and the earth.”*

Genesis 1:1

The background is a deep space scene. It features a large, vibrant nebula with shades of green, blue, and orange, swirling and billowing across the upper half. In the lower half, a bright, multi-colored star (possibly a nova or supernova remnant) is visible, surrounded by a complex, filamentary structure. The overall color palette is dominated by dark blues and blacks, punctuated by the bright colors of the celestial phenomena.

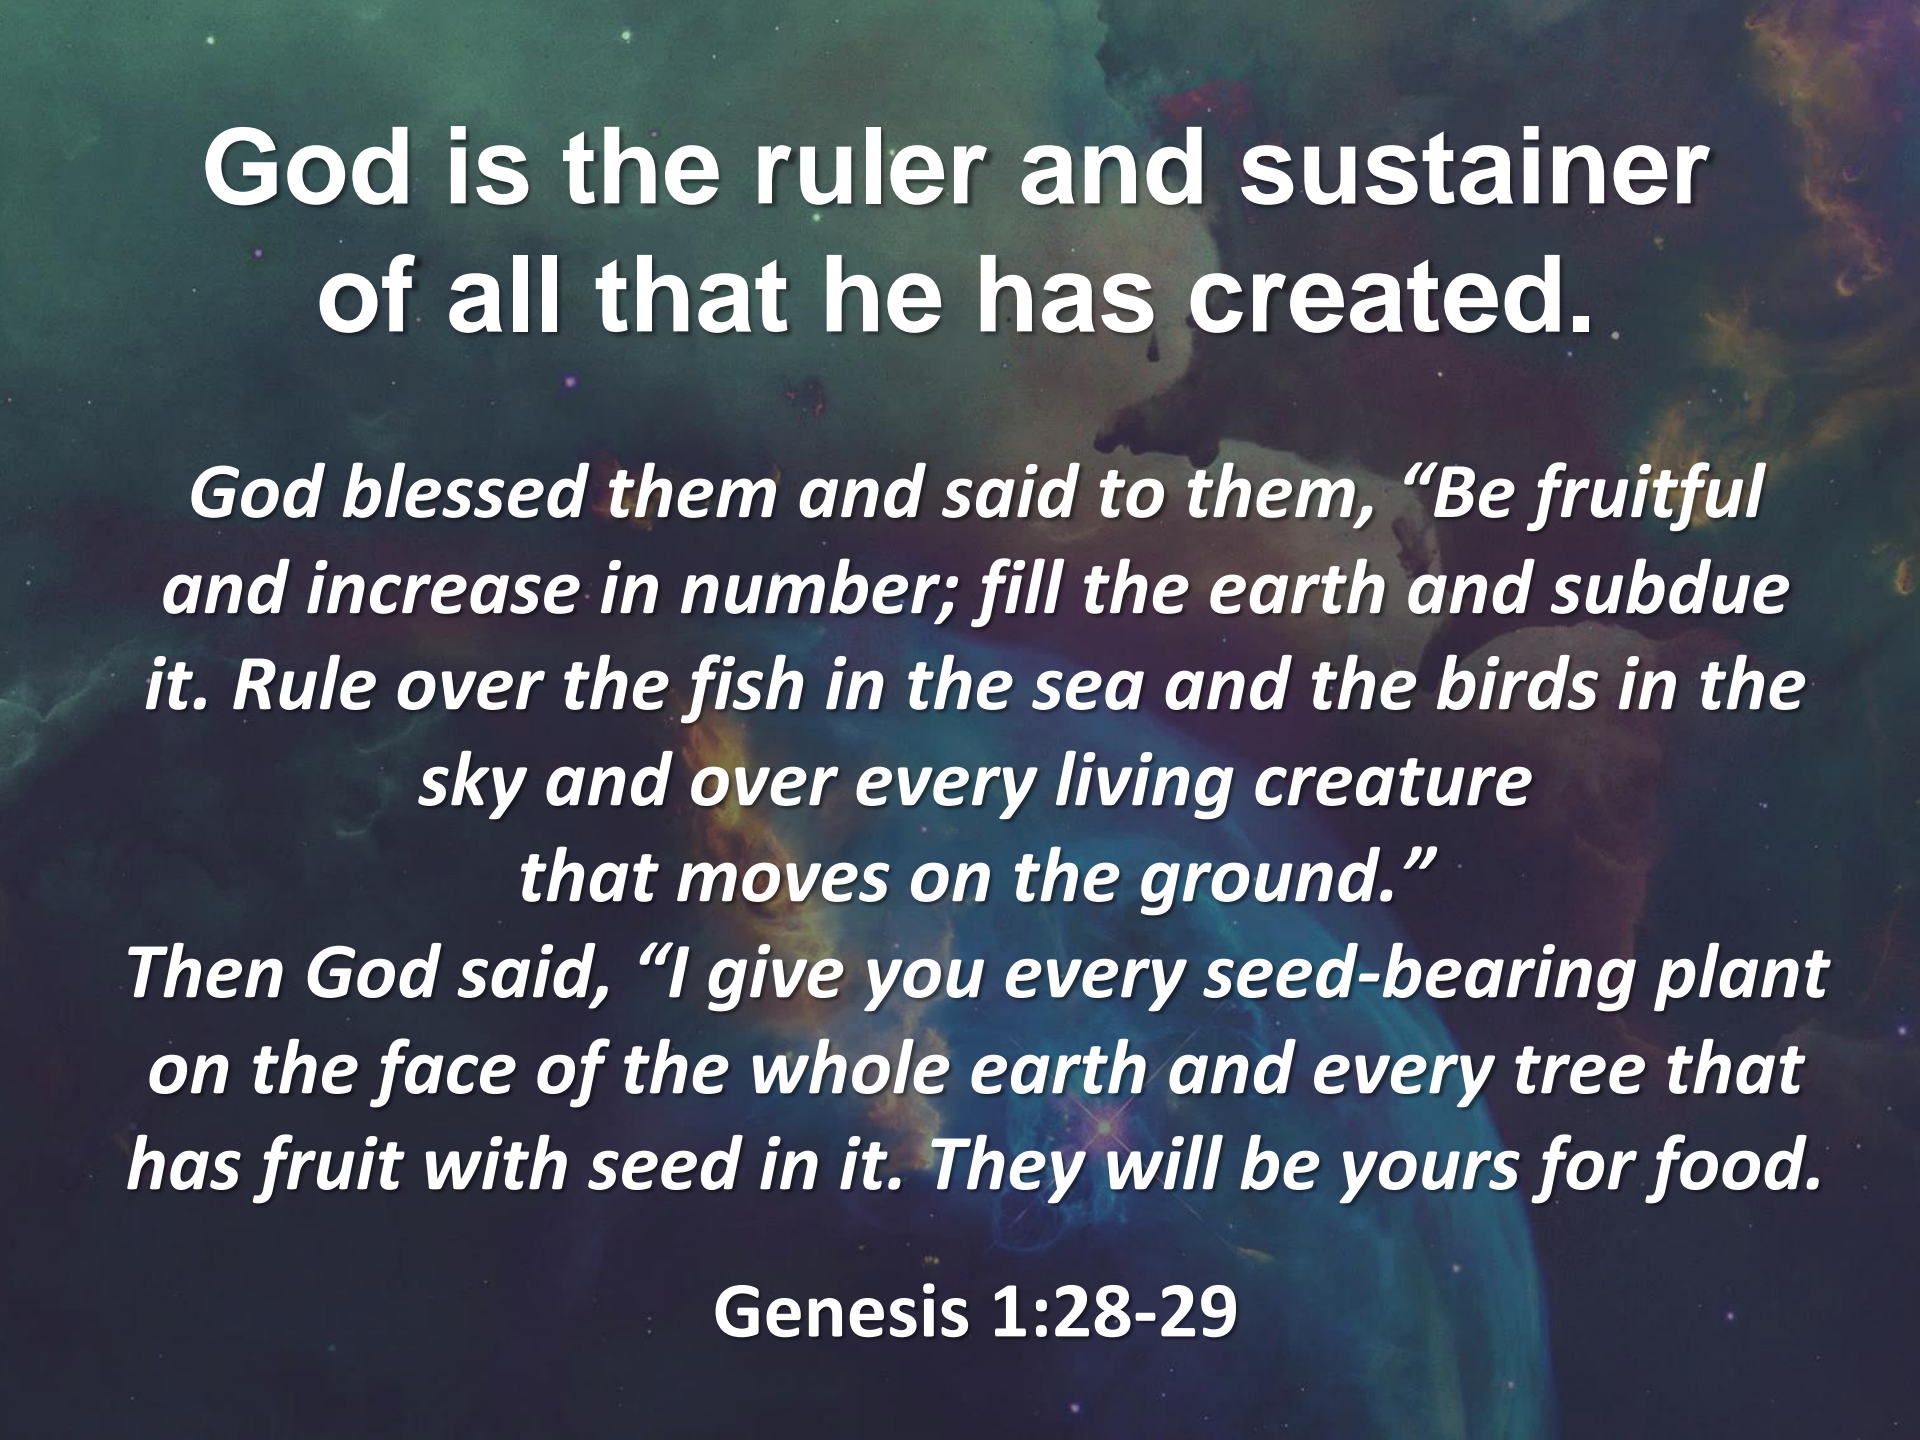

GOD'S CREATION
CONTINUES
TODAY!

A cosmic background featuring a dark blue and black space filled with colorful nebulae in shades of green, yellow, and orange. A large, blue, curved horizon of a planet is visible in the lower half of the image.

***“if anyone is in Christ, the new
creation has come, the old is
gone, the new is here!”***

2 Corinthians 5:17

**Do we rely on God constantly
for our very existence?**

**God is the ruler and sustainer
of all that he has created.**

*God blessed them and said to them, “Be fruitful
and increase in number; fill the earth and subdue
it. Rule over the fish in the sea and the birds in the
sky and over every living creature
that moves on the ground.”*

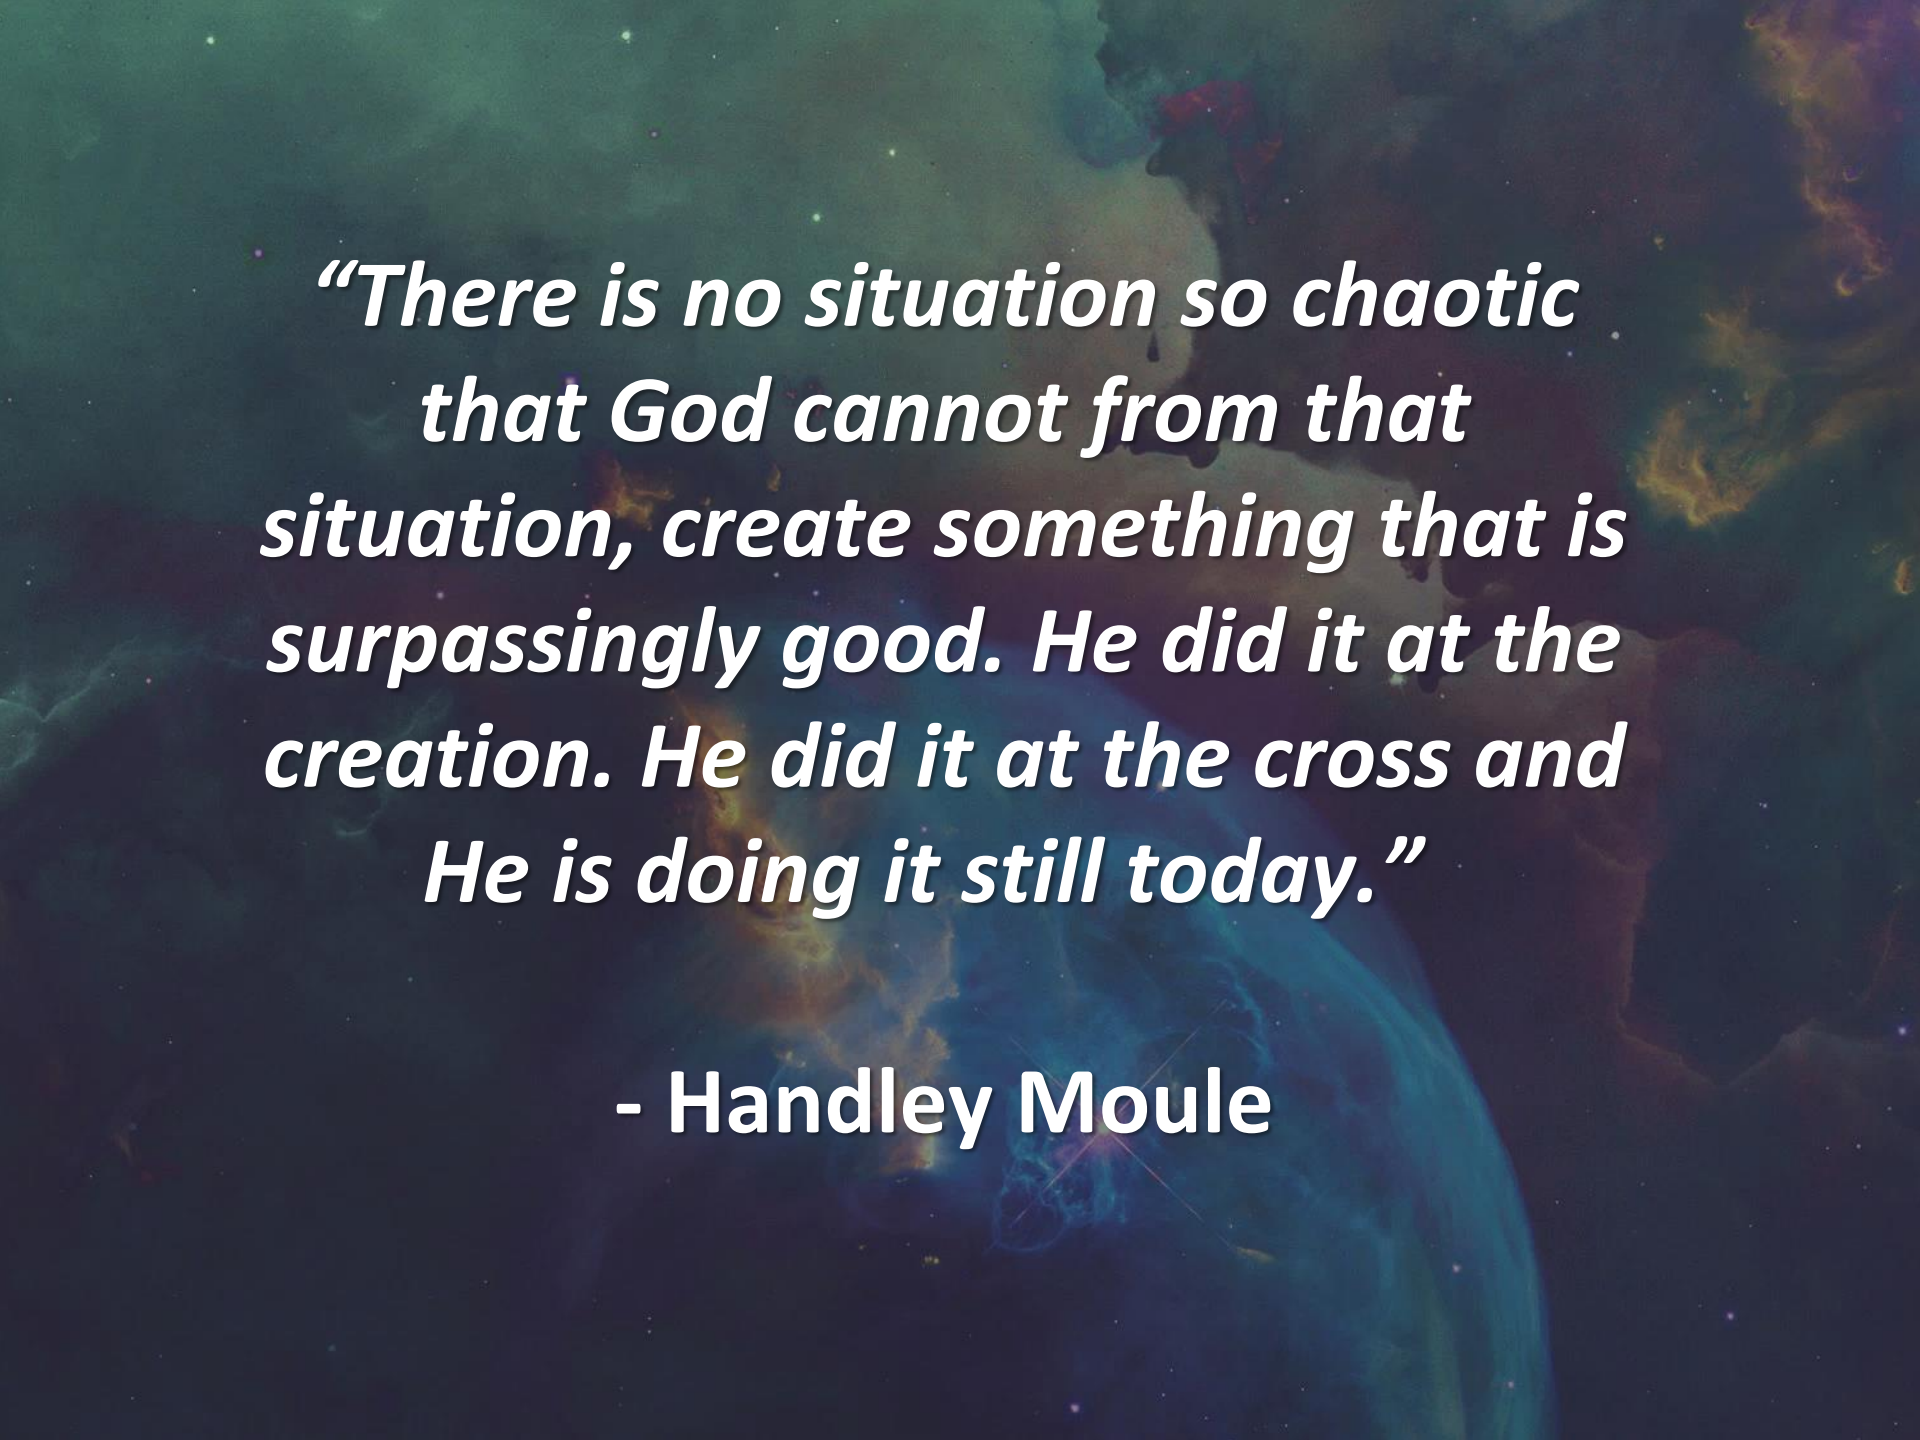

*Then God said, “I give you every seed-bearing plant
on the face of the whole earth and every tree that
has fruit with seed in it. They will be yours for food.*

Genesis 1:28-29

David in the Psalms

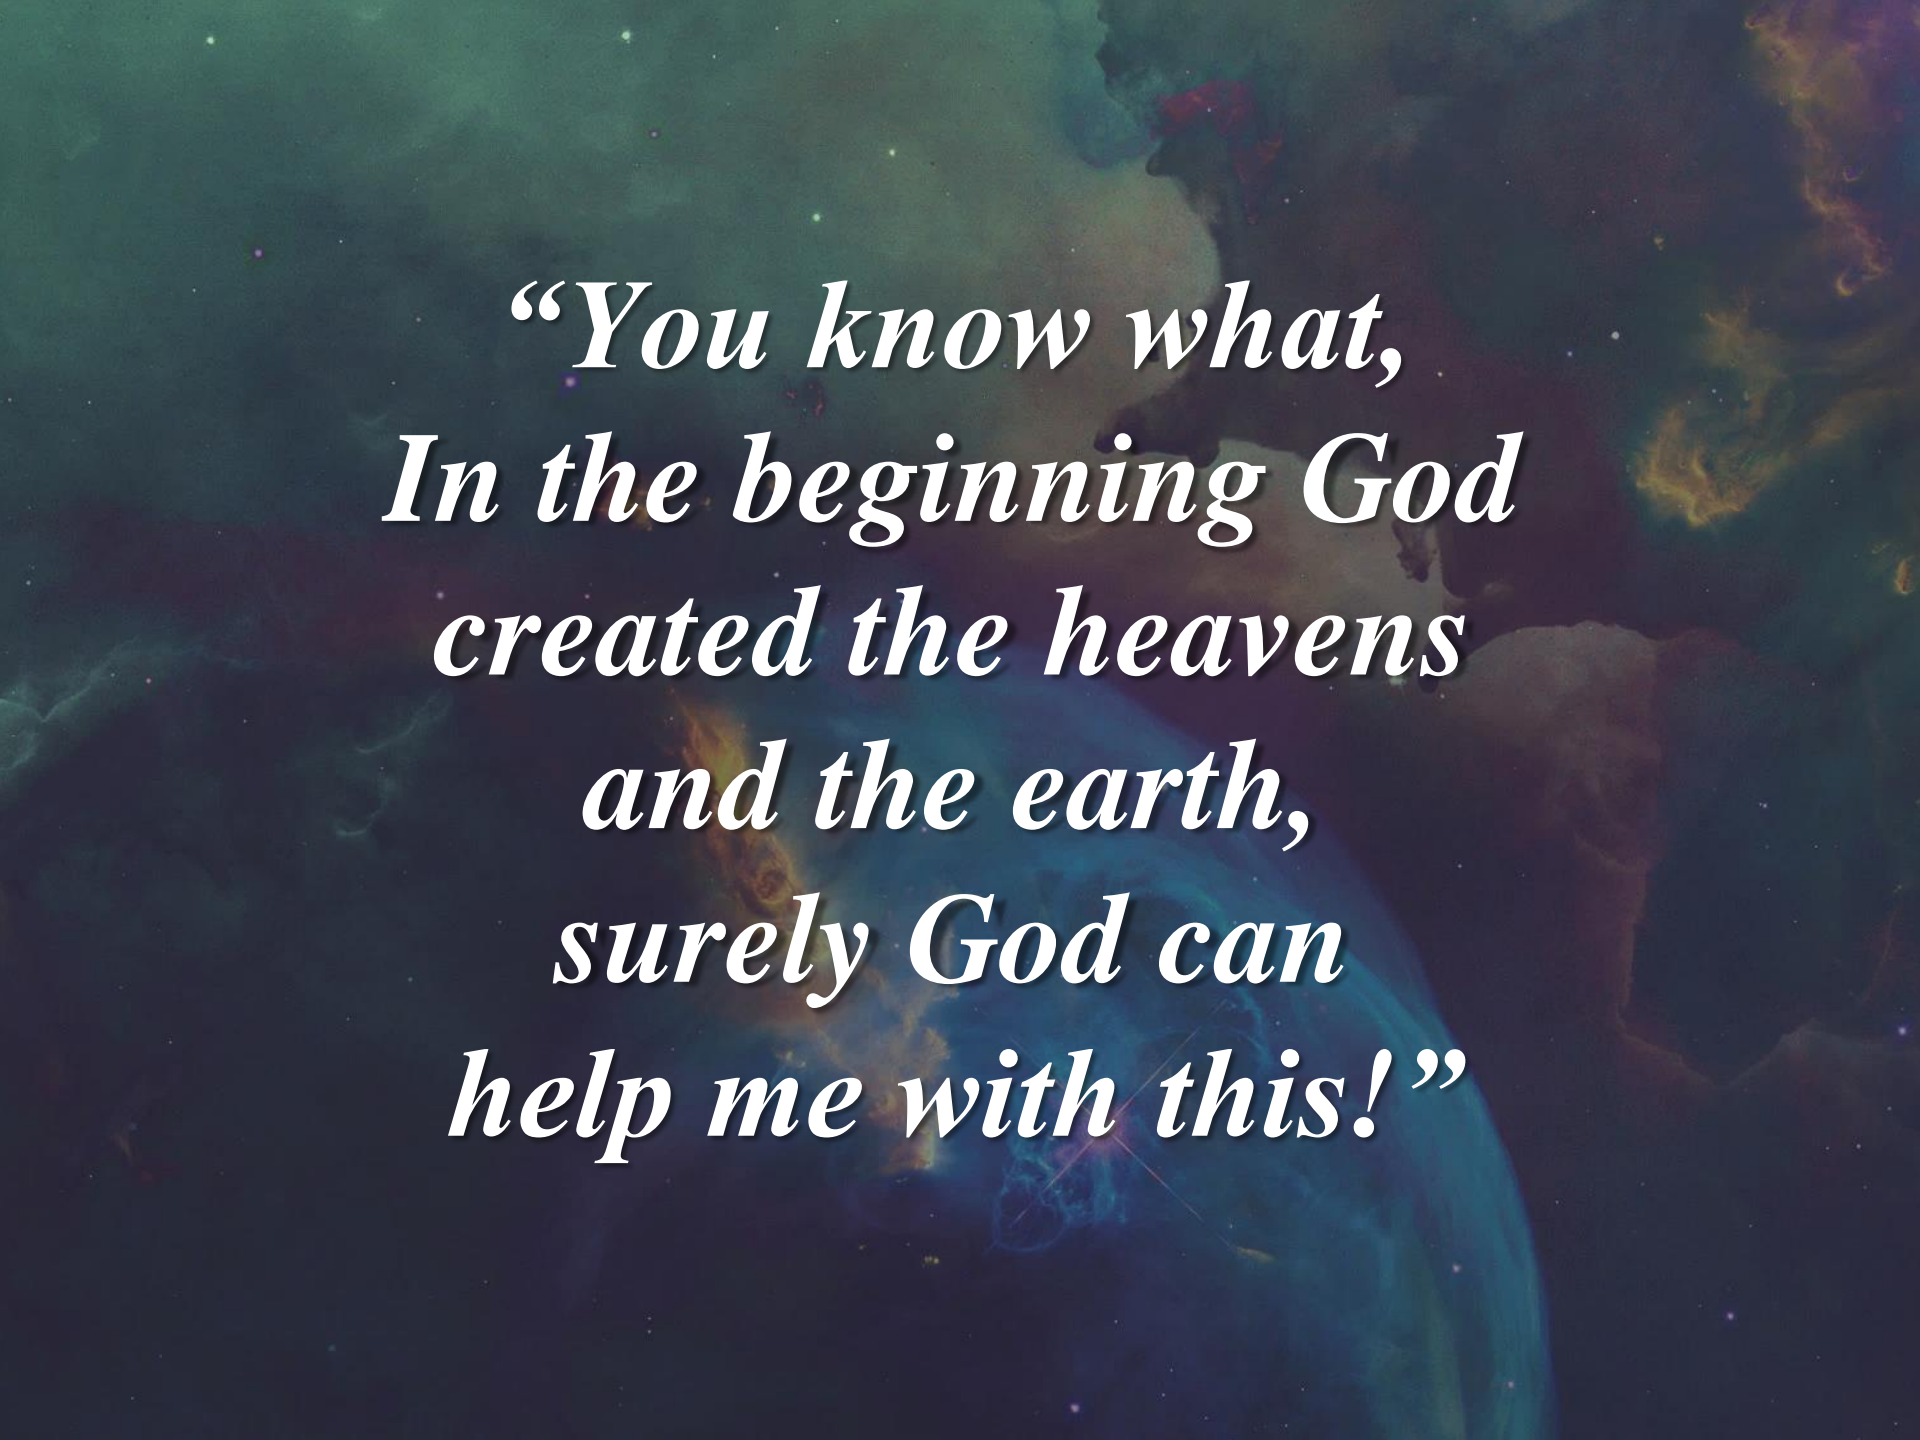

*“How majestic is your name in all the earth,
when I consider your heavens and the work of
your fingers, the moon and the stars which you
have set in place.”* Psalm 8

*“By the word of the Lord the heavens were made,
their starry host by the breath of his mouth.”*
Psalm 33

***“There is no situation so chaotic
that God cannot from that
situation, create something that is
surpassingly good. He did it at the
creation. He did it at the cross and
He is doing it still today.”***

- Handley Moule

The background of the image is a deep space scene. It features a large, glowing nebula with shades of green, blue, and purple. In the lower right, a portion of a planet with a blue and white atmosphere is visible. The overall lighting is dim, with the primary light sources being the nebula and the planet's horizon.

*“You know what,
In the beginning God
created the heavens
and the earth,
surely God can
help me with this!”*
