"Jesus Paid it All"

I hear the Savior say
"Thy strength indeed is small
Child of weakness, watch and pray
Find in Me thine all in all"

Lord, now indeed I find Thy pow'r and Thine alone can change the leper's spots and melt the heart of stone

And when before the throne
I stand in Him complete
I'll lay my trophies down
all down at Jesus' feet

O praise the One who paid my debt And raised this life up from the dead O praise the One who paid my debt And raised this life up from the dead (repeat)

Jesus paid it all. All to Him I owe Sin had left a crimson stain He washed it white as snow

I was buried beneath my shame Who could carry that kind of weight It was my tomb 'Til I met you

I was breathing but not alive All my failures I tried to hide It was my tomb Til I met you

You call my name And I ran outta that grave Out of the darkness into your glorious day (repeat)

Now your mercy has saved my soul Now your freedom is all that I know The old made new Jesus, when I met you

You called my name And I ran outta that grave Out of the darkness into your glorious day (repeat)

I needed rescue My sin was heavy But chains break at the weight of your glory I needed shelter I was an orphan But you call me a citizen of heaven

When I was broken You were my healing Your love is the air that I'm breathing I have a future My eyes are open Cause when you call my name

I ran outta that grave Out of the darkness into your glorious day You called my name And I ran outta that grave Out of the darkness Into your glorious day

"O Praise the Name" (Anastasis)

I cast my mind to Calvary
where Jesus bled and died for me
I see his wounds, his hands, his feet
My Savior on that cursed tree

His body bound and drenched in tears
They laid Him down in Joseph's tomb
The entrance sealed by heavy stone
Messiah still and all alone

O praise the name
of the Lord our God
O praise his name forevermore

For endless days

we will sing your praise

O Lord, Oh Lord our God

Then on the third, at break of dawn the Son of heaven rose again O trampled death where is your sting

the angels roar for Christ the King

O praise the name of the Lord our God O praise his name forevermore For endless days we will sing your praise O Lord, Oh Lord our God

He shall return in robes of white The blazing sun shall pierce the night And I will rise among the saints my gaze transfixed on Jesus' face

O praise the name of the Lord our God O praise his name forevermore For endless days we will sing your praise O Lord, Oh Lord our God (repeat)

O Lord, Oh Lord our God O Lord, Oh Lord our God

"Love Come Down"

I will sing forever of your love come down With my hands to heaven Shout your praises loud I was lost in darkness When you pulled me out I will sing forever of your love come down

I once was blind
I could not see
Chains of sin had shackled me
But God in heaven heard my plea

Jesus, Jesus rescued me Jesus, Jesus rescued me I will sing forever of your love come down With my hands to heaven Shout your praises loud I was lost in darkness When you pulled me out I will sing forever of your love come down Now grace so sweet

It floods my soul

And hope eternal won't let go

My debt erased at Calvary

Jesus, Jesus rescued me Jesus, Jesus rescued me I will sing forever of your love come down With my hands to heaven Shout your praises loud I was lost in darkness When you pulled me out I will sing forever of your love come down There's a home beyond the sky A song we'll sing for all of time THE GRAVE IS EMPTY I AM FREE! Jesus, Jesus rescued me Jesus, Jesus rescued me

I will sing forever of your love come down With my hands to heaven Shout your praises loud I was lost in darkness When you pulled me out I will sing forever of your love come down (repeat)

I will sing forever of your love come down (repeat)
