2022 Lent Theme:
"The Life We Now Live"

2:30 AM

The background of the image is a serene landscape featuring a sunset or sunrise over a body of water. The sky is filled with soft, wispy clouds in shades of light blue, white, and pale yellow. The sun is positioned near the horizon, creating a bright glow. The water in the foreground is dark, and its surface is covered in intricate, colorful reflections that resemble a rainbow, with bands of red, orange, yellow, green, and blue. The overall mood is peaceful and contemplative.

**Our human tendency is to let the
negative outweigh the positive.**

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching. Hebrews 10:24-25

“Let’s see how inventive we can be in encouraging love and helping out.”

v. 24 in the Message Bible Paraphrase

“Let us” consider how we may....
“Let us” encourage one another....
