

AUGUST 13, 2023

A city skyline, likely New York City, is shown upside down. The top half of the image is a reddish-orange sky with a cityscape below it. The bottom half is a teal sky with a cityscape above it. The skyline is mirrored across a horizontal line. The word 'UPSIDE' is written in large, white, sans-serif capital letters across the top half, with a white triangle pointing up above the 'U'. The word 'NM00' is written in large, white, sans-serif capital letters across the bottom half, with a white triangle pointing down below the '0'. A white rectangular box with the text 'GET USED TO DIFFERENT!' is positioned between the two words.
