

TODAY'S MESSAGE:

YOU DID **FOR**
IT ME

MATTHEW 25:31-40

“If anyone is thirsty, let them come to me and drink. Whoever believes in me, as the scripture has said, streams of living water will flow from within them.” John 7:37-38

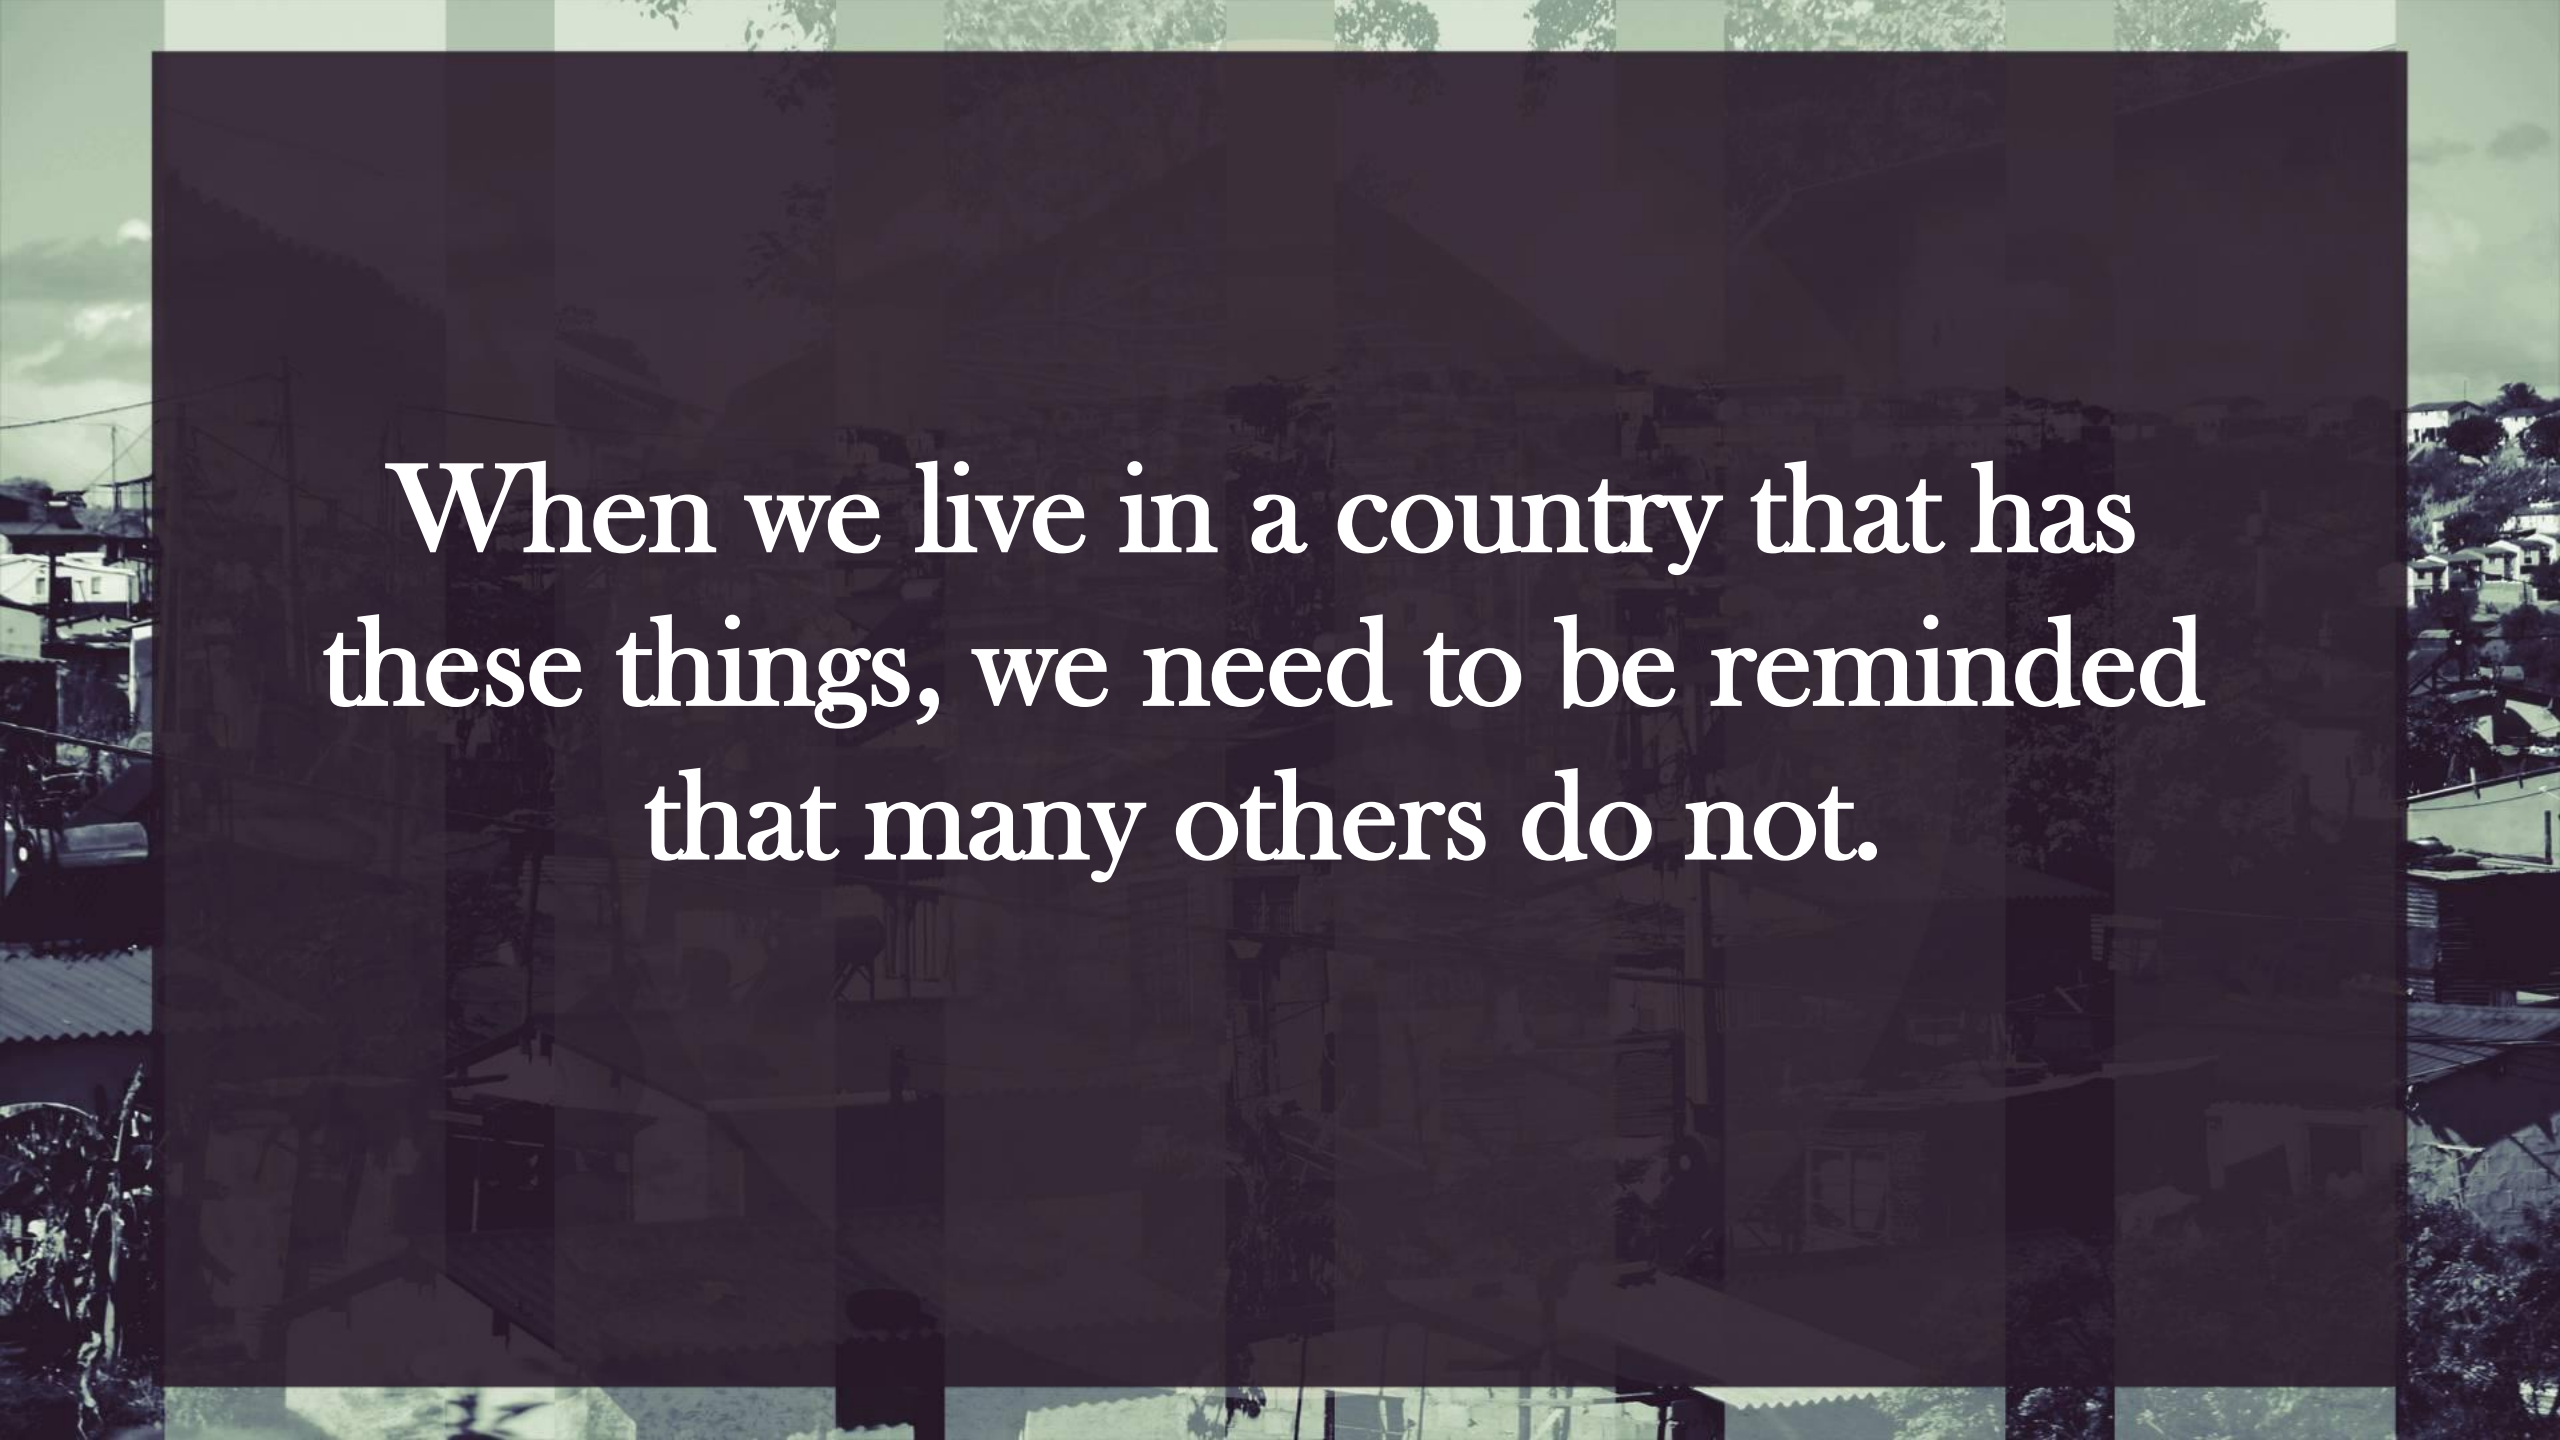

“if anyone gives even a cup of cold water to one of these little ones who is known to be my disciple, truly I tell you, that person will certainly be rewarded.” Matthew 10:42

World Water Statistics

- 1.1 billion people around the world do not have safe drinking water.
- About 80% of the diseases in developing countries are related to poor water and sanitation.
- 12 million people die each year because they do not have safe drinking water.

World Water Statistics

- The average distance a person in Africa or Asia has to walk to collect water is 3.75 miles. And much of that water is still unclean.
- The average African family uses a total of 5 gallons of water in one day. The equivalent of one toilet flush in the United States.
- More children in the world die each day from polluted water than from any other cause.

The background of the image shows a densely packed informal settlement, likely a slum, with numerous small, makeshift buildings and structures. The scene is captured from an elevated perspective, showing the intricate layout of the buildings and the surrounding environment. A dark, semi-transparent overlay covers the entire image, creating a somber and serious atmosphere. The text is centered in a white, serif font, providing a stark contrast against the dark background.

When we live in a country that has
these things, we need to be reminded
that many others do not.

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'

Matthew 25:35-36
