## MDS Responds To Hurricanes

Mennonite Disaster Service is on the ground in North Carolina and Florida assessing the damages in the wake of Hurricanes Helene and Milton. It looks like the response from MDS on these storms could be very large in the months and years to come. Stay tuned for further updates from our church MDS representative Lamar Miller.

## Special Offering for MDS Today

Each year our church supports Mennonite Disaster Service in our Outreach budget, but we would like to take a special offering to help with all of the needs presented by these recent hurricanes. Today we will be passing the offering plates at the end of the service to take up a special offering to help with these needs, in addition to our regular tithes & offering. Please make checks to AMC and we will send one check to MDS.
