WHAT IS THIS?  
A MIRACLE?

MARK 1 : 21 - 34

**Who is Jesus Christ?**

**Miracle  
Worker!**

# Miracle or just extraordinary?

*“J.J. Spaun sinks a miraculous 60’ putt to win the U.S. Open golf tournament!”*

*“I lost my wedding ring last year and it was a miracle that I found it!”*

*“They survived being lost at sea for 24 days. It was a miracle that they were found and survived!”*

How do we truly define a miracle?

Webster's Dictionary

*An extraordinary event manifesting  
divine intervention in human affairs.*

IT'S A MIRACLE !

*“The people were all amazed that they asked each other, what is this?”*

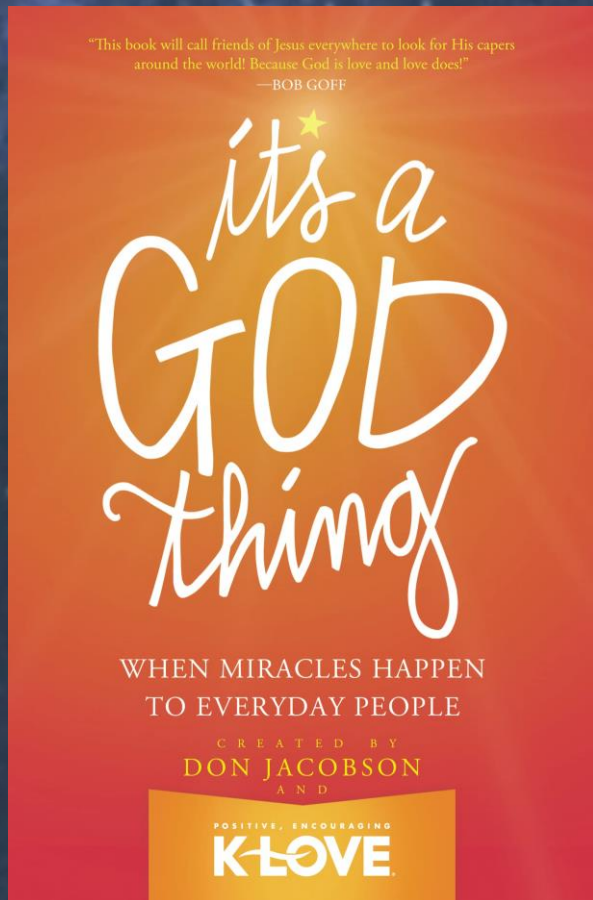

Mark 1:27

**Miracles did not ascend into  
heaven with Jesus.**

**They are still present today!**

**YOU CAN'T STOP  
A GOD THING!**

From almost 1,400 stories we selected these 46 to represent the ways that God works in our lives through his protection, provision, and physical and emotional healing. Some of these stories will make you say, “Wow, that’s a miracle!” Others, perhaps not so dramatic, will help you begin to identify the more subtle ways in which God has worked or perhaps is working on your behalf even now to transform you into

the image of His Son.... We wanted to include those stories as well because they remind us that God’s guidance is all around us, each and every day. In fact, perhaps the greatest miracle is the act of salvation that is available for all who sincerely seek it.

**Our Salvation is a Miracle!**

**Believers need to expect miracles!**

*We must put ourselves, our hopes,  
and our dreams, in God's hand.*

*Pray for and expect a miracle.*

*Then spread the news of Jesus' miracles!*

**Jesus: Miracle Worker!**  
*37 miracles recorded in the Gospels*
